

## **GASTROENTEROLOGY DIAGNOSTICS OF NORTHERN NEW JERSEY, PA**

# **CORE VALUES**

Core Values are the basic principles which we have chosen to guide our actions.

Core Values define beliefs, standards, and acceptable behaviors.

By embracing Core Values, our organization will meet its mission statement of providing the highest quality healthcare possible.

- Core Values are introduced to all new employees during the orientation period.
- Owners, physicians, management, and staff are expected to embrace our core values.
- Annual evaluations and peer review reflect incorporation of Core Values into daily practice.
- As healthcare is ever evolving, our Core Values remain constant.
- Core Values are visibly present in policies, decisions, and operations.
